

# Santa's Shop

# TOY DRIVE

The North Gwinnett Co-Op Santa Shop gives parents the dignity of providing Christmas gifts for their children. The North Gwinnett Co-Op hosts the annual Santa Shop where low income families have the opportunity to pick out toys for their children at no charge or for \$5 per child.

Last year over 3,000 gifts were distributed to children in our community. New toys/gifts are needed to make the Santa Shop a success. Gifts for all ages and genders are needed. We especially need gifts for teen boys.

Please see our Amazon Wish List Santa Shop 2024 - North Gwinnett Co-op for teen gift ideas. You may click and ship directly to the Co-Op when using this list.
